Dear Community Member,

### **GeoCatch Community Membership Vacancy**

Due to the resignation of one of our members, a community position has become vacant on the Geographe Catchment Council (GeoCatch) with the term expiring July 2012.

If a member of your organisation or others you know in the Geographe Catchment (Capel to Dunsborough) would like to nominate for this vacant community position, please complete the enclosed nomination form and forward to:

GeoCatch Selection Panel  
PO Box 269 Busselton 6280

**Applications close 25 August 2010**

GeoCatch has now been operating for 12 years. Over that time significant progress has been made towards realising the terms of our charter:

*To work with the community and all levels of government to coordinate the management of the catchment of Geographe Bay and its marine environment so that natural systems, people and their activities co-exist in a healthy, productive and sustainable way.*

Membership of GeoCatch consists of two dedicated local government and four state agency positions, plus up to nine community members. Under the terms of the amended GeoCatch constitution members would normally serve a term of three years.

GeoCatch greatly appreciates the time and effort of your organisation in passing on this information to your members and others in the community. If you have any queries in relation to appointment of GeoCatch Members or GeoCatch projects please contact Sally Clifton-Parks or Kate Scott directly on Tel: 9781 0111.

Yours sincerely,

Robin Flowers  
CHAIR  
GEOGRAPHE CATCHMENT COUNCIL  
22 July 2010
